

## INCREASING YOUR PROFIT IS OUR BUSINESS.

Ascent understands today's lodging industry. Our goal is to increase your profits by reducing credit card fees and unnecessary chargebacks.

With over 30 years expertise, our team is ready to tailor a processing solution unique to your specific business needs.

Our access to all major communication networks allows us to work with most point of sale systems on the market. We also offer and support the latest stand-alone terminal technology.

## SERVING YOUR GROWING NEEDS.

Ascent is known for outstanding customer service. As your business grows, we can help you achieve the best savings and protection possible.

In addition, we offer solutions that can increase your profits, including bad debt recovery and short term working capital loan programs. Our customer support team is ready to assist you 24/7.

Ascent offers superior service at a competitive price because your success is our success.

## INCREASE YOUR PROFIT. REDUCE YOUR TIME.
